RE: Amended 2016 Proposed Budget

As was mentioned during the June 2015 meeting of the ECSD No. 2 Board of Managers, the 2016 budget was based on conservative assumptions relative to the fringe benefit rate used for estimating personnel costs. Since the time of June 2015 meeting, the Division of Sewerage Management has coordinated with the County's Budget Office and ascertained that a 3% reduction in the fringe benefit rate could be applied to the draft 2016 budget.

The result of this reduction in the fringe benefit rate would be that the overall ECSD No. 2 budget could decrease \$65,693, which would decrease the impact to the typical ratepayer from 3.1% to 2.2% when compared to the budget passed in June. It is the Division of Sewerage Management's recommendation that the previously approved 2016 budget be adjusted and these savings be passed along to the ECSD No. 2 ratepayers. If the flat charge (\$290) and footage charge (\$1.00) remain the same, these savings would be reflected in a small adjustment to the assessed valuation charge, which is paid by all ratepayers within the district.

As the proposed 2016 budget must be submitted to the County's Budget Office prior to the next scheduled Board of Managers meeting, I respectfully request that the Board be polled for their concurrence with this change. Enclosed is a suggested resolution. If the Board has any questions, please have them contact me at (716) 858-7537 or joseph.fiegl@erie.gov. Thank you for your consideration.
